

Sponsor a Scout for NOAC

A scout who attends NOAC will experience a change in a positive manner. It's practically a guarantee. After six days of training, crazy games, national competitions, making friends from around the world, and seeing night after night of jaw dropping shows, any attendee will find a new understanding of themselves and Boy Scouts. One cannot see the 6,000 attendees without seeing the magnitude of the scouting movement. There are many more than just 6,000 arrowmen across the nation. There are thousands more, who because of cost, cannot attend NOAC 2012.

You can be the change.

Program Description

Enjoy this unique opportunity to connect with the youth of Kittan Lodge. You can assist a young Arrowman in making the trip of a lifetime. Help provide an experience that will deepen his ties to our brotherhood of cheerful service – the Order of the Arrow. Sponsor a young Arrowman and assure a strong future for the Order of the Arrow and the Boy Scouts of American. The cost for a youth to attend NOAC 2012 is approximately \$900.

A small contribution will provide an adult with a special connection to the 2012 NOAC Kittan Lodge Contingent. With your donation you will be teamed up and connect with a young arrowman. In return you will receive personalized communication, several event flaps and an invitation to the welcome home barbeque at Camp Wakpominee.

Take this opportunity to encourage the NOAC attendance of a young arrowman. Take this time to enlighten a youth to importance of this event. You can also select a youth from the existing Contingent roster.

This is a different way to participate in NOAC. Help a youth, make a new friend, help the Lodge – get some unique lodge Flaps. The chance to change is yours.
